BOARD OF DIRECTORS SUMMER MEETING SCHEDULE

Historically, the Board has approved a reduced meeting schedule during the summer months. In August, often Board meetings conflict with the California Association of Sanitation Agencies Conference. In addition, many cities are dark during August, allowing Board members to schedule vacations during that time.

Staff is recommending canceling all regular Board and Committee meetings for the month of August. This schedule is similar to others followed in previous years.

If you have any questions, please call me at 658-4642.

RECOMMENDATION

It is recommended the Board cancel all regular Board and Committee meetings for the month of August 2010.
