## SB 90 OPEN MEETINGS ACT – VRSD'S CLAIM FOR REIMBURSEMENT

Staff recently prepared and submitted applications to the State of California for reimbursement of state-mandated costs in connection with public meetings of the VRSD Board for the fiscal years ended June 30, 2006, 2007, 2008, and 2009. We have been informed that a cumulative payment of \$29,711 is due VRSD from the State Controller's Office.

Staff utilized the services of Local Government Consultants, LLC to aid in obtaining this reimbursement. Fees for said services were \$2,000.

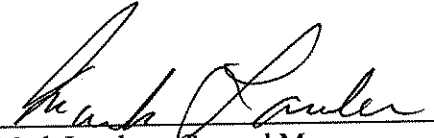

The consultant estimates that VRSD will also be eligible for reimbursement of state-mandated costs for the fiscal year ended June 30, 2010, application for which will be made in February 2011, per state regulations. The estimated reimbursement amount is \$8,000, less the consultant's fee of 15%.

Staff is also pursuing reimbursement of state-mandated costs on behalf of Saticoy Sanitary District and Triunfo Sanitation District.
