### TRIUNFO SANITATION DISTRICT'S REQUEST – PERMANENT VRSD SEAT

The Ojai Valley Sanitary District is one of six special districts in Ventura County who collectively share a single seat on the Ventura Regional Sanitation District's (VRSD) Board of Directors. A Committee, comprised of representatives from each of the six districts, developed procedures to be followed in selecting a representative and establishing a term of office for this representative. Those procedures were adopted by each of the six districts. Triunfo Sanitation District (Triunfo) was among those six special districts.

It is our understanding that VRSD will be evaluating a request from Triunfo for a permanent seat on the VRSD Board. The Ojai Valley Sanitary District (OVSD) Board of Directors opposes this request and supports the continuation of a single seat on the VRSD Board shared, on an established rotating basis, by the six special districts.

The OVSD Board does not believe that changing the current special district representation to a split representation would be in the best interest of all the six districts involved.

On behalf of the OVSD Board I request that the VRSD Board deny Triunfo's request.
