VENTURA REGIONAL SANITATION DISTRICT REPRESENTATION

Camrosa Water District is one of six special districts in Ventura County who collectively share a single seat on the Ventura Regional Sanitation District's (VRSD) Board of Directors. A Committee comprised of representatives from each of the six districts developed procedures to be followed in selecting a representative and establishing a term of office for this representative. Those procedures were adopted by each of the six districts. Triunfo Sanitation District (Triunfo) and Saticoy Sanitary District (Saticoy) were among those six special districts.

It is our understanding that VRSD will be evaluating requests from Triunfo and Saticoy for a permanent seat on the VRSD Board. The Camrosa Water District's Board of Directors opposes these requests and supports the continuation of a shared rotating single seat on the VRSD Board for the six special districts. Furthermore, if any of the Special Districts are granted a permanent seat on the VRSD Board, the Camrosa Board of Directors request and would expect that all of the Special Districts be granted a permanent seat.

The Camrosa Water District Board does not believe that changing the current special district representation to a split representation would be in the best interest of all the six districts involved.

On behalf of the Camrosa Water District Board, I request that the VRSD Board deny Triunfo and Saticoy's requests.

Sincerely,

Al E. Fox, President
Camrosa Water District
Board of Directors, President
