Board of Directors
Ventura Regional Sanitation District
Ventura, California

APPROVAL OF PROPOSED CONTRACT NO. 18-022 WITH THE SUMMERLAND SANITARY DISTRICT FOR WASTEWATER COLLECTION SERVICES

RECOMMENDATION

Approve, and authorize the Board Chair to sign, proposed Contract No. 18-022 with Summerland Sanitary District for a total compensation of \$25,000 through June 30, 2019.

FISCAL IMPACT

The contract service revenue that will be generated from this contract was not included in the FY2018-19 District Board Adopted Budget. A budget adjustment for contract service revenue in the amount of \$25,000 will be recorded in the following category:

Contract Service Revenue – Labor (40100-215200): \$25,000

BACKGROUND/ANALYSIS

VRSD was initially envisaged as a regional sanitary sewer special district serving all of Ventura County. And even though VRSD does not own and operate its own sanitary sewer system, VRSD has nonetheless developed extensive experience in the operation and maintenance of these sewer systems and offers these essential services to various sanitary sewer agencies throughout Ventura, Los Angeles and Santa Barbara counties.

The VRSD has provided wastewater collection services to the Summerland Sanitary District (District) in the past and was recently asked by the District to provide wastewater workers and equipment to assist with its sewer treatment and collection system through the remainder of FY2018-19. The contract service revenue for FY2018-19 is anticipated to be \$25,000.

This letter and the associated contract have been reviewed by Legal Counsel as to form.

B. DISTRICT desires to enter into an agreement with VRSD for regular and emergency maintenance services for its Wastewater Facilities, as well as other related services, hereinafter collectively referred to as "Services", in order to achieve operational economies and efficiencies; and

C. VRSD has the authority, pursuant to Health & Safety Code Section 4700 et seq. and Public Contract Code §20782, and capability to provide the requested Services to the DISTRICT and is willing to perform such services for the DISTRICT.

NOW, THEREFORE, based upon the recitals above and valuable consideration, the mutual covenants, and promises set forth below, the Parties do hereby agree to abide by the following terms and conditions:

ARTICLE 1: RETENTION OF VRSD

1.1 VRSD agrees to provide services to DISTRICT on the conditions set forth in this Agreement. DISTRICT's Board of Directors shall administer this Agreement for DISTRICT. It is expressly understood that the relationship between DISTRICT and VRSD is that of an independent contractor and VRSD is not, and shall not be deemed, an employee of DISTRICT.

1.2 VRSD shall assign a Staff Coordinator satisfactory to DISTRICT to work directly with DISTRICT in connection with VRSD's services to be performed under this Agreement. Such assignment shall be made by written notice to DISTRICT.

1.3 VRSD accepts the relationship of trust and confidence established between VRSD and DISTRICT by this Agreement. VRSD agrees to furnish efficient business administration, personnel services, and superintendence and to use its best efforts to perform the work in the most expeditious and economical manner consistent with the public interest and applicable federal, state and local regulations. VRSD shall provide the Services described in Article 2: Scope of Services within the limitations of an annual budget total approved by both Parties prior to the beginning of each fiscal year.

1.4 The Parties acknowledge that DISTRICT retains exclusive authority and budgetary discretion relating to the funding of DISTRICT's operation and maintenance, including provision for acquiring, repairing, maintaining and

replacing DISTRICT's existing equipment, structures and facilities and installation of new equipment, structures and facilities.

2.2 Sewer Collection System

(a) VRSD shall perform all sewer line cleaning and preventive inspection work on DISTRICT's sewer collection system. VRSD shall inspect, clean and/or repair approximately thirty-three percent (33%) of the DISTRICT's sewer collection system during the term of this Agreement.

(b) VRSD shall provide emergency response service for DISTRICT's sewer collection system at any time of day or night. Costs for such emergency services will be billed in addition to the amount set forth in the annual budget at prevailing VRSD rates.

(c) VRSD will be available for sewer repair services as assigned by the DISTRICT. Costs will be billed in addition to the regular contract at prevailing VRSD rates.

2.3 Other Related Services

VRSD shall perform other services requested in writing by DISTRICT, provided the services are reasonably related to the operation and maintenance of DISTRICT's wastewater facilities or otherwise within VRSD's capabilities. If there are not adequate funds to pay for the work within limitations of the annual budget total previously approved by the Parties, said written request shall include a corresponding budget adjustment.

ARTICLE 3: AGREEMENT EFFECTIVE DATE AND TERMINATION

3.1 Effective Date

This Agreement shall commence on the date set forth above and shall terminate on June 30, 2019, unless extended in writing by mutual agreement of the Parties or terminated as hereinafter provided. Upon execution of this Agreement by both Parties, VRSD shall diligently pursue work to assure completion of all assignments on a timely basis.

3.2 Termination by DISTRICT

This agreement may be terminated by DISTRICT upon the following terms and conditions:

DISTRICT may terminate this agreement in the event of a material default by VRSD in any of VRSD's obligations hereunder. For purposes of this Agreement, a material default shall be defined as VRSD's failure to perform any of the obligations contained in Article 2 herein. Such termination by DISTRICT shall be effective only if the default remains uncured upon the expiration of 60 days after VRSD's receipt of written notice from DISTRICT specifying the default. Termination of this Agreement because of a material default of VRSD shall not relieve VRSD from liability for such default. In case of termination of this Agreement by DISTRICT for material default of VRSD, VRSD shall be entitled to amounts actually earned as of the date of the default. DISTRICT is not obligated to assign services to VRSD. This contract only makes it possible to do so.

3.3 Termination By VRSD

This agreement may be terminated by VRSD upon the following terms and conditions:

VRSD may terminate this agreement in the event of a material default by DISTRICT in any of DISTRICT's obligations hereunder. For purposes of this Agreement, a material default shall be defined as DISTRICT's failure to perform any of the obligations contained in ARTICLE 5, paragraphs 5.1 and 5.2. Such termination by VRSD shall be effective only if the default remains uncured upon the expiration of 60 days after DISTRICT's receipt of written notice from VRSD specifying the default. Termination of this Agreement because of a material default of DISTRICT shall not relieve DISTRICT from liability for such default.

In the event of VRSD serving written notice of termination and in the event DISTRICT does not cure said default, VRSD shall, in addition to continuing the usual contract services specified herein and upon written request by DISTRICT, assist DISTRICT in planning and carrying out a transition plan for implementation of replacement services. Said transition plan might consist of, but not be limited to: preparing, circulating, receiving, evaluating and implementing one or more Request(s) For Proposal for services to replace the contract services being terminated by VRSD. In the event of termination, VRSD shall be paid for all services provided to the effective date of the termination.

ARTICLE 4: OPERATIONAL COSTS AND COMPENSATION FOR SERVICES

4.1 Operational Costs

DISTRICT shall pay to VRSD the entire cost to VRSD of performing the Services within the limitations of an annual budget total approved by both agencies. DISTRICT shall be billed only for costs incurred. DISTRICT shall not be billed for costs exceeding the total budgeted amount and VRSD shall not be obligated to perform work that would exceed the total budgeted amount without amendment of the jointly adopted budget specified in DISTRICT's approved budget. A budget shall be adopted by both agencies following annual review and consultation and each succeeding budget total shall become a part of this Agreement. For this Agreement, the entire cost to DISTRICT shall include:

(a) For personnel services, the VRSD billing rate associated with the classification of each individual performing services, as shown in Exhibit "A" Hourly Rates, attached and incorporated herein by reference. The Hourly Rates may be reviewed and adjusted for each successive fiscal year (July 1-June 30) this Agreement is in effect.

(b) For services and supplies, the actual cost of the materials and services purchased. VRSD shall, pursuant to its own procedures, practices, and regulations, arrange for the purchase and payment for all service and supply items, including but not limited to: chemicals, utilities, insurance, maintenance contracts, small tools and parts, paint, lumber, grease and oil.

(c) For equipment and machinery, the actual and complete cost of owning, operating and replacement of said equipment, including but not limited to, depreciation; consumable supplies such as gasoline, electricity, or paper; maintenance; and insurance costs, as shown in Exhibit "B" Equipment & Supply (Consumable) Rates, attached and incorporated herein by reference. The Equipment & Supply (Consumable) Rates may be reviewed and adjusted for each successive fiscal year (July 1-June 30) this Agreement is in effect.

4.2 Compensation for Services. VRSD shall submit a monthly statement for its services accompanied with a letter of explanation. DISTRICT shall reimburse VRSD for expenses within 30 days of the receipt of the statement.

4.3 Existing Fixed Assets. All existing DISTRICT fixed assets, rolling stock, inventory and supplies of and accessory to the WASTEWATER FACILITIES are and will remain the property of DISTRICT. VRSD is acting

solely as an agent on behalf of DISTRICT in its acquisition, use, and disposition of such items. VRSD shall not enter into contracts for acquisition or disposal of DISTRICT fixed assets without prior approval of DISTRICT.

4.4 Records. VRSD shall maintain all accounting in conformance with generally accepted accounting principles and all applicable laws and regulations.

4.5 Examination of Records. VRSD agrees that DISTRICT shall have, during normal business hours, access to and the right to examine any directly pertinent books, documents, papers, and records of VRSD and of all the transactions relating to this agreement.

ARTICLE 5: DISTRICT'S RESPONSIBILITY

5.1 DISTRICT shall provide VRSD, without charge, any information available to DISTRICT that is required in connection with services that are required of VRSD.

5.2 DISTRICT does not assume and shall not be liable for the direct payment of any salary, wages, or other compensation to any VRSD personnel performing services hereunder or any liability other than that provided for in this agreement.

5.3 Except as herein otherwise specified, DISTRICT shall not be liable for compensation for indemnity to any VRSD employee for injury or sickness arising out of his or her employment.

ARTICLE 6: INSURANCE

6.1 VRSD, at its sole discretion, shall determine the method to be used in the management of its risk. VRSD shall have the right to self-insure or provide certificates of insurance to DISTRICT in amounts not less than those specified below:

(a) Worker's Compensation and Employer's Liability in accordance with applicable laws.

(b) General & Automobile Liability with combined single limit of \$1,000,000 for bodily injury, death or property damage.

6.2 VRSD may retain risks of accidental loss that occur with predictable frequency and will not have serious adverse effect on VRSD's fiscal position. VRSD may transfer risk to professional risk bearers through the purchase of insurance. When insurance is purchased, Certificates of Insurance evidencing coverage shall be provided by VRSD prior to commencement of work under this agreement. These certificates shall name DISTRICT as Additional Insured and contain a provision that coverage afforded under the policies will not be canceled until at least 30 days' prior written notice has been given to DISTRICT.

6.3 VRSD shall not be responsible for damage or loss by any peril to facilities and equipment owned by DISTRICT other than as provided in Article 7.1.

ARTICLE 7: HOLD HARMLESS

7.1 Notwithstanding anything in this Agreement to the contrary, VRSD shall indemnify, defend, and hold DISTRICT free and harmless from any fines levied by the RWQCB and all claims, demands, liabilities, loss or injury to, or death of, any person, including, but not limited to, employees of DISTRICT and damage to or destruction of property including, but not limited to, property of DISTRICT; provided said fines, claims, demands, liability or loss arise out of the performance by VRSD of the services required hereunder and are caused by a negligent act or failure to act of VRSD.

7.2 Notwithstanding anything in this Agreement to the contrary, DISTRICT shall indemnify, defend, and hold VRSD free and harmless from any fines levied by the RWQCB and all claims, demands, liabilities, loss or injury to, or death of, any person, including, but not limited to, employees of VRSD and damage to or destruction of property including, but not limited to, property of VRSD; provided said fines, claims, demands, liability or loss are caused by a negligent act or failure to act of DISTRICT. In this regard, DISTRICT acknowledges the provisions of Article 1.4 and agrees to indemnify, defend and hold VRSD harmless from fines, claims, demands, liability or loss arising from DISTRICT's failure to take action, or make budgetary provision, for the replacement of existing equipment, structures or facilities, or the acquisition of new equipment, structures or facilities.

ARTICLE 8: MODIFICATION & TERMS

No modification, alteration or variation of the terms and conditions of this Agreement shall be valid unless made in writing and signed by the Parties. No oral understanding or agreement not incorporated herein shall be binding on any of the Parties hereto.

ARTICLE 12: ATTORNEY FEES

In the event that either party shall commence any legal action or proceeding, including an action for declaratory relief, against the other by reason of the alleged failure of the other to perform or keep any term, covenant or condition of this contract, or to interpret any term, covenant or condition, the party prevailing in said action or proceeding shall be entitled to recover, in addition to its court costs, reasonable out-of-pocket expenses (including, but not limited to phone calls, photocopying, expert witnesses, travel, etc.) and reasonable attorney fees to be fixed by the court, and such recovery shall include court costs and attorney fees on appeal, if any.
