Board of Directors
Ventura Regional Sanitation District
Ventura, California

APPROVE, AND AUTHORIZE THE BOARD CHAIR TO SIGN, PROPOSED CONTRACT NO. 19-010 WITH OAKRIDGE GEOSCIENCE, INC. FOR GEOLOGIC MAPPING, EVALUATION, REPORTING, CONSULTING, AND SUPPORT SERVICES

RECOMMENDATION

Approve, and authorize the Board Chair to sign, proposed Contract No. 19-010 with Oakridge Geoscience, Inc. in an amount not to exceed \$25,000 in FY 2019-20.

FISCAL IMPACT

The funding for this contract is included in the adopted FY2019-20 District budget under account code 25-401-52074-400300 (\$15,000) and 25-401-52079-400301 (\$10,000).

BACKGROUND/ANALYSIS

Oakridge Geoscience, Inc. (Oakridge) has been providing geologic serviced under this contract since July 2017 and for the District as a whole going back to 1995. During this period, Oakridge has been providing routine geologic mapping of the conditions at the Toland Road Landfill for a variety of operations projects, as well as for numerous large-scale capital projects such as the liner construction phases. Oakridge continues to provide the highest level of geologic services to the District.

PROPOSAL

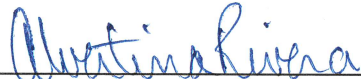

The District desires to streamline contract processing in the future. To this end, staff has written the contract to minimize administrative burden and cost to achieve this goal. Going forward, staff would request additional funding annually by including the associated costs within each fiscal year's proposed budget. Additionally, the contract contains language indicating extension is contingent upon approval of future year funding. This leaves the fiscal control in the hands of the VRSD Board but at the same time minimizes the administrative burden and cost to VRSD to extend the contract.

This letter and the associated contract have been reviewed by Legal Counsel as to form.

C. DISTRICT has selected CONSULTANT, based upon the above representations and in conformance with the negotiated procurement provisions of Section 403 of the DISTRICT Purchasing Resolution No. 89-13, to provide specialized geologic mapping, evaluation, reporting, consulting, and support services to the DISTRICT.

D. Parties agree to enter into this Agreement based upon the valuable and mutual consideration set forth below and the recitals above and to abide by its terms and conditions as set forth herein.

AGREEMENT

ARTICLE 1: WORK STATEMENT/SCOPE OF SERVICES

A. CONSULTANT shall provide the consulting services to the DISTRICT as described in the STATEMENT OF WORK & RATE SHEET which is attached as Exhibit "A" to this Agreement and incorporated herein by reference.

D. CONSULTANT shall not, at any time during the term of this Agreement, directly or indirectly, act as a partner, officer, director, consultant or employee, or provide geologic mapping, evaluation, reporting, consulting, and support services to any other business enterprise or governmental agency that conflicts with the DISTRICT's mission and business operations or CONSULTANT's duty of loyalty or fiduciary duty to the DISTRICT.

E. CONSULTANT shall begin work, as needed, immediately after the Agreement is signed by both parties. PARTIES agree that any and all work shall be done in a diligent and professional manner to DISTRICT's satisfaction.

ARTICLE 2: TERM OF CONTRACT

A. Unless otherwise earlier terminated, this Agreement shall continue in force until the services specified herein have been fully performed. Upon execution of this Agreement by both Parties, CONSULTANT shall diligently pursue work to assure completion on a timely basis. Unless otherwise extended in writing by both Parties, this contract shall automatically terminate on June 30, 2024.

B. This Agreement may be extended annually, no more than four (4) times, by mutual agreement of the Parties. The DISTRICT General Manager, on behalf of the DISTRICT Board of Directors ("BOARD") shall prepare in a form approved by the DISTRICT Legal Counsel.

C. The Parties acknowledge and agree that this Agreement for specialized geologic mapping, evaluation, reporting, consulting, and support services is dependent upon the availability of District funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the District Board of Directors, or is not allocated or allotted to this Agreement by the District Board of Directors for periodic payment in the current or any future fiscal period, then the obligations of the District to make payments after the effective date of such non-allocation or non-funding will cease and terminate.

D. If funding, to make payments in accordance with the provisions of this Agreement, is delayed or is reduced from the District Board of Directors for this Agreement, or is not allocated or allotted in full by the District Board of Directors for this Agreement for periodic payment in the current or any future fiscal period, then the Contractor shall either accept the delayed or reduced payment obligations of District or agree that District has the right to terminate the Agreement as provided in Article 6. If such funding is reduced, District in its sole discretion shall determine which aspects or tasks of the Agreement shall proceed and which work or tasks shall be performed, with corresponding Contractor's Charges for such Services and associated Deliverables. In these situations, District agrees to pay Contractor for Services and Deliverables and certain of its costs in accordance with the terms of Exhibits A and B to the Agreement. Any obligation to pay by District will not extend beyond the end of District's then-current funding period, except as otherwise provided herein.

E. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, District in the event that the necessary funding to pay under the terms of this Contract is not available, not allocated, not allotted, delayed or reduced.

ARTICLE 3: INDEPENDENT CONTRACTOR RELATIONSHIP

A. It is expressly understood between the Parties that no employee/employer relationship is intended, the relationship of CONSULTANT to DISTRICT being that of an independent contractor. DISTRICT shall not be required to make any payroll deductions or provide Workers' Compensation Insurance coverage or health benefits to CONSULTANT.

B. CONSULTANT is solely responsible for selecting the means, methods and procedures for

performing its services hereunder as assigned by DISTRICT and for coordinating all portions of the work so the result will be satisfactory to the DISTRICT. CONSULTANT will supply all tools and instrumentalities required to perform its services under this Agreement.

C. CONSULTANT, pursuant to this Agreement, is rendering professional services only and any payments made to it are compensation solely for such services as it may render and recommendations it may make in the performance of services.

ARTICLE 4: CONFIDENTIAL RELATIONSHIP and OWNERSHIP OF DOCUMENTS

A. CONSULTANT agrees that all dealings of the Parties under this Agreement shall be confidential and no report, data, information or communication developed, prepared or assembled by CONSULTANT under this Agreement, or any information made available to CONSULTANT by DISTRICT, shall be revealed, disseminated or made available by CONSULTANT to any person or entity other than DISTRICT without the prior written consent of DISTRICT. All data, calculations, drawings and other documents developed, prepared, completed or acquired by CONSULTANT during the performance of its services hereunder shall be given or turned over to DISTRICT upon termination of this Agreement.

B. CONSULTANT shall provide copies of original source electronic files (i.e., Microsoft Word or Excel files, digital photos, etc.) of all work completed as part of this Contract. Such files shall not be protected, encrypted or otherwise have their access restricted.

C. Any and all documents, reports, surveys, data compilation, interview results or records produced pursuant to this Agreement by the CONSULTANT shall be the property of the DISTRICT and under the ownership of the DISTRICT.

ARTICLE 5: PAYMENT TO CONSULTANT

A. In consideration of CONSULTANT's performance of services as described herein, DISTRICT shall pay CONSULTANT fees for its services according to the schedule of rates set forth in Exhibit "A" attached and incorporated by reference herein. On or prior to the tenth (10th) day of each calendar month after actual work is started, CONSULTANT shall submit an invoice in sufficient detail to show the total amount of work done to the last day of the month preceding the one in which the invoice is submitted. DISTRICT shall review and approve CONSULTANT's invoice for accuracy and agree with CONSULTANT on any adjustments that may be appropriate. Such approvals shall not be unreasonably withheld. DISTRICT shall pay CONSULTANT for all approved work and materials within thirty (30) days of agreement on the amount of the invoice. In the event of disagreement with CONSULTANT on adjustments or disallowances, said amounts and disputes shall be withheld until resolved. Upon resolution of the disagreements, payment of the approved amount shall be made within thirty (30) days after deducting therefrom all previous payments and all sums to be retained under the terms of the agreement.

B. Total fees or compensation to be paid by DISTRICT to CONSULTANT for CONSULTANT's services described herein shall not exceed \$25,000 without a mutually acceptable, written amendment hereto.

ARTICLE 6: TERMINATION OF CONTRACT

CONSULTANT specifically acknowledges and agrees that DISTRICT may terminate CONSULTANT's services at any time with or without cause, regardless of whether CONSULTANT's services or the Project are completed. Any termination or any special instructions hereunder from DISTRICT shall be made in writing. In the event of such termination, CONSULTANT shall have the right to expend additional time (not to exceed 10% of the total fees payable under this Agreement) to assemble the work in progress for the purpose of proper filing and closing the job. Such additional time shall not

increase CONSULTANT's total compensation beyond the maximum stated in Article 5.

ARTICLE 7: INDEMNIFICATION AND HOLD HARMLESS

CONSULTANT agrees to defend, indemnify and hold harmless DISTRICT and its officers, agents and employees, from and against any and all liability, damages, costs, losses, claims and expenses, however caused, resulting directly or indirectly from or connected with CONSULTANT's negligent performance of this Agreement (including, but not limited to such liability, cost, damage, loss, claim or expense arising from the death of or injury to, or damage to property of CONSULTANT, DISTRICT, or their respective employees or agents), except to the extent that such liability, damages, costs, losses, claims or expenses are caused by the negligent or wrongful acts or omissions of DISTRICT or any of its agents or employees.

ARTICLE 8: INSURANCE

CONSULTANT shall provide and keep in effect during the term of this Agreement insurance as follows:

- A. Workers' Compensation and Employer's Liability policies in accordance with and as required by applicable laws.
- B. Commercial General Liability policies with combined single limit coverage of at least \$1,000,000 for any personal injury, death, or property damage.
- C. Comprehensive Automobile Liability policies with combined single limit coverage of at least \$1,000,000 for personal injury, death, or property damage.

CONSULTANT shall provide certificates of such insurance to DISTRICT prior to the start of work. Said certificates shall specifically provide that: (1) DISTRICT is an additional insured for the coverage in Items B and C above; (2) any other insurance coverage applicable to the loss shall be deemed excess coverage and CONSULTANT's insurance shall be primary for the coverage in Items B and C above; and (3) such insurance shall not be terminated or canceled without thirty (30) days' prior written notice having been given DISTRICT at its address set forth in this Agreement.

ARTICLE 9: SUBCONSULTANTS

This Agreement is a personal service contract and the consulting work hereunder shall not be delegated or assigned by CONSULTANT to any person or entity without the prior written consent of DISTRICT. Breach of this provision shall be grounds for immediate termination of this Agreement.

ARTICLE 10: AUTHORITY TO EXECUTE AGREEMENT

Both DISTRICT and CONSULTANT do covenant that each individual executing this Agreement on behalf of each Party is a person duly authorized and empowered to execute Agreements for such Party.

ARTICLE 11: NO WAIVER

No failure or delay by DISTRICT in asserting any of DISTRICT's rights and remedies as to any default of CONSULTANT shall operate as a waiver of the default, of any subsequent or other default by CONSULTANT, or of any of DISTRICT's rights or remedies. No such delay shall deprive DISTRICT of its right to institute and maintain any action or proceeding which may be necessary to protect, assert or enforce any rights or remedies arising out of this Agreement or the performance of this Agreement.

ARTICLE 12: PARTIAL INVALIDITY

If any term, covenant, condition, or provision of this Agreement is found by a court of competent

jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated thereby.

ARTICLE 15: COMPLIANCE WITH LAWS

CONSULTANT shall be solely responsible for giving all notices and complying with all applicable laws, ordinances, rules, regulations and lawful orders of any public authority relating to CONSULTANT's work, the safety of the persons or property involved, and their protection from damage or injury. CONSULTANT shall defend, indemnify and hold DISTRICT harmless from and against all claims, demands, payments, suits, actions, proceedings and judgments of every nature and description, including reasonable attorneys' fees and costs, brought or recovered against DISTRICT, for or on account of any liability under said laws, ordinances, rules, regulations and orders which may be incurred by reason of any work to be performed by CONSULTANT with this Agreement.

ARTICLE 16: FORCE MAJEURE

Neither CONSULTANT nor DISTRICT shall be liable or deemed to be in default for any delay or failure in performance under this Agreement due to interruption of services resulting, directly or indirectly, from acts of God, civil or military authority, acts of public enemy, war, strikes, labor disputes, shortages of suitable parts, materials, labor or transportation, or any similar cause beyond the reasonable control of CONSULTANT or DISTRICT.
