Board of Directors
Ventura Regional Sanitation District
Ventura, California

APPROVE, AND AUTHORIZE THE BOARD CHAIR TO SIGN, PROPOSED CONTRACT NO. 19-017 WITH RINCON CONSULTANTS FOR SAFETY AUDIT AND TRAINING SERVICES AT THE TOLAND ROAD LANDFILL

RECOMMENDATION

Approve, and authorize the Board Chair to sign, proposed Contract No. 19-017 with Rincon Consultants for safety audit and training services in an amount not to exceed \$25,000 for FY2019-20.

FISCAL IMPACT

The funding for this contract is included in the adopted FY2019-20 District budget under account code 25-401-52079-400301.

BACKGROUND/ANALYSIS

Since 2017, Rincon Consultants has been providing landfill safety and storm water training services, as well as conducting the annual safety audit required under the District's Conditional Use Permit for the Toland Road Landfill. Services were procured through the negotiated procurement provisions outlined and in accordance with Section 403 of the VRSD Resolution 89-13. Staff continues to be pleased with the level of service and responsiveness to the District's changing needs for training and environmental safety services. In 2018, Rincon took a key role for the District in ensuring that fire debris delivered to the site complied with County and State requirements.

The District desires to streamline contract processing in the future. To this end, staff has written the contract to minimize administrative burden and cost to achieve this goal. Going forward, staff would request additional funding annually by including the associated costs within each fiscal year's proposed budget. Additionally, the contract contains language indicating extension is contingent upon approval of future year funding. This leaves the fiscal control in the hands of the VRSD Board but at the same time minimizes the administrative burden and cost to VRSD to extend the contract.

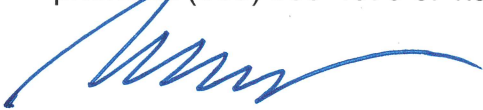

CURRENT PROPOSAL

For FY2019-20, VRSD staff would like to retain Rincon Consultants for the following ongoing areas of work:

- (1) Annual safety audit at the Toland Road Landfill; and
- (2) Landfill safety training; and
- (3) Storm water training; and
- (4) Miscellaneous landfill environmental safety services.

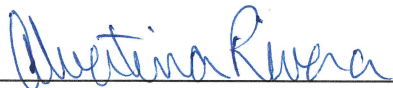

This letter and the associated contract have been reviewed by Legal Counsel as to form.

to expend additional time (not to exceed 10% of the total fees payable under this Agreement) to assemble the work in progress for the purpose of proper filing and closing the job. Such additional time shall not increase CONSULTANT's total compensation beyond the maximum stated in Article 5.

C. Comprehensive Automobile Liability policies with combined single limit coverage of at least \$1,000,000 for personal injury, death, or property damage.

CONSULTANT shall provide certificates of such insurance to DISTRICT prior to the start of work. Said certificates shall specifically provide that: (1) DISTRICT is an additional insured for the coverage in Items B and C above; (2) any other insurance coverage applicable to the loss shall be deemed excess coverage and CONSULTANT's insurance shall be primary for the coverage in Items B and C above; and (3) such insurance shall not be terminated or canceled without thirty (30) days' prior written notice having been given DISTRICT at its address set forth in this Agreement.
