Board of Directors
Ventura Regional Sanitation District
Ventura, California

APPROVE, AND AUTHORIZE THE BOARD CHAIR TO SIGN, PROPOSED CONTRACT NO. 19-026 WITH WECK LABORATORIES, INC. FOR ANALYTICAL ENVIRONMENTAL LABORATORY SERVICES

RECOMMENDATION

Approve, and authorize the Board Chair to sign, proposed Contract No. 19-026 with Weck Laboratories, Inc. for analytical environmental laboratory services in an amount not to exceed \$125,000 for FY2019-20.

FISCAL IMPACT

The funding for this contract is included in the adopted FY2019-20 District budget under account codes 25-210-52155-[various] (\$42,000), 25-401-52155-400300 (\$2,500), 25-401-52155-400301 (\$5,000), 25-451-52155-400803 (\$15,000), 25-452-52155-400801 (\$40,000), 25-453-52155-400805 (\$2,500), 25-410-52155-411500 (\$18,000).

BACKGROUND/ANALYSIS

Weck Laboratories, Inc. has been providing analytical testing services for the District for several years and is an experienced laboratory with the size and resources to fulfill the water permit requirements of the District's many water/wastewater clients, as well as the District's own permits within the solid waste division. It is vital to the District to work with a laboratory that has the resources, experience and good track record to satisfy these requirements.

Due to its broad experience in the water quality field in the State of California and its extensive experience with the District, staff followed Part III, Section 302 (Supplies, Equipment, and Purchasing Procedure; Negotiated Procurement) of VRSD Resolution 89-13 to procure these services.

PROPOSAL

The District desires to streamline its contract processing. To this end, staff has written the contract to minimize administrative burden and cost to achieve this goal. Going forward, staff would request additional funding annually by including the associated costs within each fiscal year's proposed budget. Additionally, the contract contains language

indicating extension is contingent upon Board approval of future year funding. This leaves the fiscal control in the hands of the VRSD Board but at the same time minimizes the administrative burden and cost to VRSD to extend the contract.

This letter and the associated contract have been reviewed by Legal Counsel as to form.

ARTICLE 4: CONFIDENTIAL RELATIONSHIP and OWNERSHIP OF DOCUMENTS

A. CONTRACTOR agrees that all dealings of the Parties under this Agreement shall be confidential and no report, data, information or communication developed, prepared or assembled by CONTRACTOR under this Agreement, or any information made available to CONTRACTOR by DISTRICT, shall be revealed, disseminated or made available by CONTRACTOR to any person or entity other than DISTRICT without the prior written consent of DISTRICT. DISTRICT shall review and approve CONTRACTOR's invoice for accuracy and agree with CONTRACTOR on any adjustments that may be appropriate. Such approvals shall not be unreasonably withheld. DISTRICT shall pay CONTRACTOR for all approved work and materials within thirty (30) days invoice date. In the event of disagreement with CONTRACTOR on adjustments or disallowances, said amounts and disputes shall be withheld until resolved. Upon resolution of the disagreements, payment of the approved amount shall be made within thirty (30) days or revised invoice date.

Any termination or any special instructions hereunder from DISTRICT shall be made in writing. In the event of such termination, CONTRACTOR shall have the right to receive payment for work completed and any work in process prior to termination date.

ARTICLE 7: INDEMNIFICATION AND HOLD HARMLESS

CONTRACTOR agrees to defend, indemnify and hold harmless DISTRICT and its officers, agents and employees, from and against any and all liability, damages, costs, losses, claims and expenses, however caused, resulting directly or indirectly from or connected with CONTRACTOR's negligent performance of this Agreement (including, but not limited to such liability, cost, damage, loss, claim or expense arising from the death of or injury to, or damage to property of CONTRACTOR, DISTRICT, or their respective employees or agents), except to the extent that such liability, damages, costs, losses, claims or expenses are caused by the negligent or wrongful acts or omissions of DISTRICT or any of its agents or employees.

CONTRACTOR shall provide certificates of such insurance to DISTRICT prior to the start of work. Said certificates shall specifically provide that: (1) DISTRICT is an additional insured for the coverage in Items B and C above; (2) any other insurance coverage applicable to the loss shall be deemed excess coverage and CONTRACTOR's insurance shall be primary for the coverage in Items B and C above; and (3) such insurance shall not be terminated or canceled without thirty (30) days' prior written notice having been given DISTRICT at its address set forth in this Agreement, with the exception of Worker's Compensation Insurance policy.

ARTICLE 9: SUBCONTRACTORS

This Agreement is a personal service contract and the consulting work hereunder shall not be delegated or assigned by CONTRACTOR to any person or entity without the prior written consent of DISTRICT. Breach of this provision shall be grounds for immediate termination of this Agreement.

ARTICLE 10: AUTHORITY TO EXECUTE AGREEMENT

Both DISTRICT and CONTRACTOR do covenant that each individual executing this Agreement on behalf of each Party is a person duly authorized and empowered to execute Agreements for such Party.

ARTICLE 11: NO WAIVER

No failure or delay by DISTRICT in asserting any of DISTRICT's rights and remedies as to any default of CONTRACTOR shall operate as a waiver of the default, of any subsequent or other default by CONTRACTOR, or of any of DISTRICT's rights or remedies. No such delay shall deprive DISTRICT of its right to institute and maintain any action or proceeding which may be necessary to protect, assert or enforce any rights or remedies arising out of this Agreement or the performance of this Agreement.

ARTICLE 12: PARTIAL INVALIDITY

If any term, covenant, condition, or provision of this Agreement is found by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated thereby.

ARTICLE 13: TERMS

No alteration or amendment of the terms of this Agreement shall be valid unless made in writing and signed by the Parties. No oral understanding or agreement not incorporated herein shall be binding on any of the Parties.

ARTICLE 15: COMPLIANCE WITH LAWS

CONTRACTOR shall be solely responsible for giving all notices and complying with all applicable laws, ordinances, rules, regulations and lawful orders of any public authority relating to CONTRACTOR's work, the safety of the persons or property involved, and their protection from damage or injury. CONTRACTOR shall defend, indemnify and hold DISTRICT harmless from and against all claims, demands, payments, suits, actions, proceedings and judgments of every nature and description, including reasonable attorneys' fees and costs, brought or recovered against DISTRICT, for or on account of any liability under said laws, ordinances, rules, regulations and orders which may be incurred by reason of any work to be performed by CONTRACTOR with this Agreement.

ARTICLE 16: FORCE MAJEURE

Neither CONTRACTOR nor DISTRICT shall be liable or deemed to be in default for any delay or failure in performance under this Agreement due to interruption of services resulting, directly or indirectly, from acts of God, civil or military authority, acts of public enemy, war, strikes, labor disputes, shortages of suitable parts, materials, labor or transportation, or any similar cause beyond the reasonable control of CONTRACTOR or DISTRICT.

ARTICLE 17: DISPUTE RESOLUTION

In the event that CONTRACTOR and DISTRICT have a dispute concerning the payment of sums pursuant to their Contract, the Parties agree to be governed by Public Contracts Code Section 20104, et seq.
