RE: Agreement No A-5906 for Waste Disposal at Toland Road Landfill Between Ventura Regional Sanitation District and the City of Oxnard

Mr. Theisen:

On Tuesday, May 4, 2021 the Oxnard City Council voted unanimously to approve a contract with Waste Management of California, Inc. to deliver 100% of the City's municipal solid waste to Simi Valley Landfill. The Third Amendment to Agreement No A-5906 for Waste Disposal at Toland Road Landfill Between Ventura Regional Sanitation District and the City of Oxnard expires on May 14, 2021. Consequently, the City of Oxnard will no longer deliver solid waste under contract to the Toland Road Landfill after that date.

The City is interested in establishing backup contracts with other landfills. If VRSD is interested in entering into a backup landfill contract with the City, please contact me at your earliest convenience.

Thank you for your services under the current contract and I look forward to hearing from you.

Regards,
