VRSD HOLIDAY FACILITY CLOSURES FOR CALENDAR YEAR 2024

RECOMMENDATION

Receive and file the list of VRSD facility closures for calendar year 2024.

FISCAL IMPACT

There is no fiscal impact associated with this Board action.

BACKGROUND/ANALYSIS

The VRSD Personnel and Salary Ordinance (No. VRSD-97) and the respective VRSD Employee MOU's dictate the holidays to which VRSD employees are entitled. Holidays are categorized as either Assigned or Floating. Generally, for holidays that fall on an employee's non-workday, Assigned Holidays are moved to an employee's nearest normal workday, and Floating Holidays are accrued to the employee's leave bank. The days of the week where holidays fall in a given calendar year indicate logical District facility closures.

The Toland Road Landfill is typically closed on six holidays each year coinciding with days the major haulers will not be working. The Central Administration Division is usually able to close on the actual holidays. Water/Wastewater operations need to have skeleton crews on duty during certain holidays.

The schedule of 2024 holidays and VRSD facility closure dates is shown on the chart on the next page.
