INVESTMENT REPORT – MARCH 31, 2024

RECOMMENDATION

Receive and file the March 31, 2024 Investment Report

FISCAL IMPACT

None.

BACKGROUND/ANALYSIS

The attached report shows cash and investment holdings of the District at March 31, 2024. The VRSD Investment Policy requires that the report be transmitted to the Board within 30 to 60 days after the close of the month. The portfolio totals \$34.77 million at cost, decreasing \$0.60 million from \$35.37 million at the end of February 2024.

US Bank, who serves as the custodian, provides the market value shown for all U.S. Government securities. During the month of March, interest earnings for all investments were accrued in the amount of \$50,584. Fiscal year to date, \$529,882 has been earned. The unrealized gain or loss on investments is not recorded as income on a monthly basis. Recording it monthly skews the amount of interest reported since it could be at a loss one month and a gain the very next month and is not an actual gain or loss unless the government securities shown in Section D of the report are sold prior to their maturity date. It will be recorded at June 30, 2024, as required by governmental accounting standards.

The District investment holdings are in compliance with the investment policy approved by the Board of Directors on June 15, 2023. The portfolio has been managed with the stated objectives of safety, liquidity and earning a competitive rate of return. The investment program shown herein provides sufficient cash flow liquidity to meet the District's expense obligations for the next six months.

Please note that balances within the cash and investment categories have been restated to better reflect the holdings of the District.
